

ABC REEF SAFARIS

PORT DOUGLAS • AUSTRALIA

UNIQUE GUIDED SNORKELLING AND SCUBA DIVING

Luxurious Outer Reef
and Island experiences
taking you to one of
the world's natural
wonders - the
Great Barrier Reef

ABC Reef Safaris a unique journey away from the crowds...

THE REEF EXPERIENCES

We set the benchmark for bespoke reef adventures, designed for travellers who value connection, engagement and discovery.

Personal attention and expert care is guaranteed with an industry leading staff-to-guest ratio of 1:4.

Our luxury vessels seek out the best snorkel and dive sites each day, selecting them for their vibrancy and diversity of marine life.

Guided by our passionate team of marine experts in and out of the water, you'll gain insights that transform your reef visit into a meaningful encounter that creates lifelong memories.

Fully guided outer reef dive and snorkel safaris

At ABC Reef Safaris intimate experiences are our philosophy. They allow us to create unique reef days defined by space, attention and connection.

Exclusive tours for those that want the best

Every aspect of our reef safaris has been curated to deliver amazing encounters, with everything provided to optimise comfort and enjoyment. Premium boats, equipment, meals, guides and reef sites.

Protecting a natural wonder

ABC Reef Safaris is both eco-certified and sustainable, protecting the reef while sharing its wonders.

THE LOCATIONS

Palm Cove to Port Douglas (45 mins by road)

Cairns to Port Douglas (70 mins by road)

We explore rarely visited reef sites

Our intentionally low passenger numbers give us the unique ability to access designated low use reef sites. By remaining small and well below mass capacity, we can rotate between remote locations, ensuring pristine coral, abundant marine life, and a quieter, more immersive encounter with the Great Barrier Reef.

Option to get your day underway in style with seamless transfers to and from your accommodation.

ABC Reef Safaris' two versatile reef boats, for simply amazing days on the reef.

THE BOATS

Independence

Agile. Personal. Adventure ready.

Independence is the perfect launchpad for a private, tailored family charter. Ideal for family private charters and small groups, she is designed for both diving and snorkelling adventures and reaches pristine outer reef sites with ease.

Her shallow draft allows access to reef locations that larger vessels simply cannot reach, opening up secluded, untouched areas for your day on the water.

On daily departures, Independence offers small group certified diving and snorkelling with expert marine guides and dive masters, maintaining an industry leading 1:4 staff to guest ratio for a truly personal experience.

A highly popular choice for family private charters, ideal for those who value flexibility, privacy away from the crowds and exceptional reef access with close guided support.

Independence takes just 12 guests on intimate, world-class private charters and diving and snorkelling adventures.

NEW

Voyager

Space. Comfort. Ultimate reef luxury.

Voyager delivers everything guests love about Independence, with added space and premium comfort.

Fully air conditioned interiors, luxury lounges and tables, expansive sun decks, shaded relaxation areas and a dedicated bar space create a refined experience from start to finish.

A large, easy access dive ladder makes getting in and out of the water effortless for all ages, while a fast, agile tender allows for incredible drop offs and visits to remote sand cays and shallow reef areas.

Perfect for larger families, private charters, corporate events, small weddings or anyone seeking a truly elevated day on the reef.

Our **luxury catamaran Voyager** welcomes just **24 guests** in unmatched style and comfort for idyllic reef days.

BENEFITS & FEATURES

Learn with marine biologists and naturalist guides

Spacious sun decks and intimate reef day experiences

Delicious onboard dining experiences

Port Douglas' best reef tour in a tiny group with the #1 operator.

SNORKEL & SCUBA PRICES

GUIDED SNORKELLING

Maximum 6 snorkellers per Marine Biologist or Naturalist guide – No maximum age

An ABC Boutique Reef Safari takes you to the breathtaking outer Great Barrier Reef, where vibrant coral gardens and abundant marine life await. Many of our snorkelling locations are shallow, calm areas, in some cases similar to swimming pool type depths, making them comfortable and easy to explore.

Our roaming permit allows us to choose from hundreds of outer reef locations off Port Douglas, the closest mainland access point to the reef. This means less travel time and more time exploring spectacular sites, many of which are low use areas with no other vessels in sight.

Guided by an experienced Marine Biologist or Naturalist guide your day is immersive, educational and delivered in a relaxed, intimate setting.

\$547 per guest

FREE DIVING

In buddy pairs or small groups

Freediving on the Great Barrier Reef requires thoughtful planning. In Port Douglas, weight belts are generally not permitted and specialised freediving fins are not available for hire, so experienced freedivers are strongly encouraged to bring their own equipment.

ABC is unique in that we hold special dispensation allowing certain guests to use weight belts under specific conditions. This is possible when scuba divers are also on board and you dive with a buddy, or when you book a private in water guide for enhanced safety and supervision.

For dedicated free-divers, a private charter offers the ultimate flexibility, allowing us to tailor reef selection and depth profiles around your specific goals.

\$547 per guest

GUIDED CERTIFIED DIVING

Maximum 5 divers per Divemaster guide - Minimum age 10 years old

Our boutique two tank dive day is designed around quality, not quantity. With extended bottom times of approximately 60 to 70 minutes per dive and a full 60 minute surface interval between dives, your experience with ABC is safer, more relaxed and far more enjoyable than a rushed schedule.

With our roaming permit, we are not limited to a single reef. Instead, our experienced skipper selects from hundreds of outer Great Barrier Reef sites off Port Douglas, choosing the best location on the day based on conditions. This often means pristine, low use reefs with few or no other boats nearby.

With just five divers per guide, you receive highly personalised supervision throughout the day. After each dive, you are welcome to join our marine biologist led snorkel sessions.

\$599 per certified diver

FIRST TIME - INTRODUCTORY DIVING

Maximum 4 divers per Dive Instructor - Minimum age 12 years old

Introductory diving is an upgrade to your snorkel day, not a replacement. You will still enjoy time snorkelling at each site, with your scuba dive conducted under the direct supervision of a qualified instructor.

With a maximum of four divers per instructor, this experience is calm, supportive and carefully paced, making it ideal for first time or resort divers.

For an even more personalised experience, you may book a private instructor for an additional \$590, allowing a dedicated one on one scuba experience.

\$799 per guest

SNORKELLING & SCUBA DIVING NOTES:

- We recommend booking early, as during peak periods we are often booked 2 to 3 weeks in advance.
- Prescription masks available on request.
- The Great Barrier Reef Marine Park Environmental Management Charge (EMC) applies to all guests. For direct bookings via the ABC website, the EMC is included in the advertised price. For some third party bookings, the EMC may be collected by the crew on the day of travel.

- Free parking is available at both vessel departure locations.

INTRODUCTORY SCUBA DIVING

- This activity requires a minimum booking of 2 passengers
- All introductory divers must complete a medical questionnaire prior to diving. This is a standard safety requirement.
- Certain medical conditions, particularly heart disease, may increase risk. Pregnancy, recent chest or ear surgery and some

other conditions may prevent participation. If unsure, please contact us prior to travel.

- Participants must be at least 12 years of age, with parental consent for minors, and able to swim confidently.
- Private instructors are available for additional support if required. Safety is always our highest priority.

SNORKELLING

- Fully guided, with a maximum ratio of 6 snorkellers to 1 Marine Biologist or Naturalist guide.

- All snorkelling equipment, instruction, lycra suits and 5mm wetsuits in winter are included.

SCUBA DIVING – CERTIFIED

- Fully guided, with a maximum ratio of 1 guide to 5 certified divers.
- All scuba equipment, instruction, lycra suits and 5mm wetsuits in winter are included.
- Divers must hold a minimum Junior Open Water or Open Water certification.

- Completion of the PADI Diver Medical Questionnaire is required. Medical clearance may be needed for certain conditions.

FREE DIVING

- Scuba diving and free diving cannot be conducted on the same day.
- Allow a minimum of 12 hours after a single freedive and 18 hours after repetitive or multi day free diving before flying.
